## SHOOTING ACADEMY

**Begins February 7, 2021**

**6 week program**

Ascension Genesys Health Club's Shooting Academy is a game changer for young athletes looking to step up their game. Designed for boys and girls looking to refine their shooting technique, our academy will break down the shooting process and focus on proper footwork. Athletes will work on shooting off the dribble, shooting off the pass, free throws, and more through a mix of shooting drills, shooting games and game scenarios. Over the course of the academy, our goal is to build confidence in one's ability and to help our athletes grow as a shooter.
