

Child Policy

rev. Sept. 2021

KEEPING YOUR CHILDREN SAFE!

This brochure outlines the policies for all children at Ascension Genesys Health Club. For more information on these policies, please contact Membership Services at (810) 606-7523.

As a family friendly facility, we have many activities to aid families in their pursuit of a healthy lifestyle. Children are always welcome, and there is no charge for member children or grandchildren under 13 years of age.

For the safety of our members and our member children, some areas of the club are prohibited to children under the age of 13 and adult supervision is required in others. To aid members, guest, and staff, children 6—12 years of age are required to wear one or two wristbands depending on their age and/or certifications. **Wristbands must always be visible**, and may only be removed after child leaves the facility.

Definitions

Child:	Under the age of 13
Adult Supervision:	18 years of age or older
Red Wristband:	Children 6—12 years of age who have not completed a FitKid/Safety Orientation
Green Wristband:	Children 10—12 who have completed a FitKid/Safety Orientation

Red Wristband

Children who are not FitKid/Safety certified, between the ages of 6—12 years are required to obtain a red wristband from the Service Desk. The red wristband indicates to Ascension Genesys Health Club staff the child is eligible to be in certain areas of the club **under the direct supervision of an adult**, see "Permitted with Adult" section for eligible areas.

Green Wristband

Member children 10—12 years of age are able to utilize additional areas of Ascension Genesys Health Club **under direct supervision of an adult**, after completing a complementary FitKid/Safety Orientation with a Fitness Specialist. Upon completion of the FitKid/Safety Orientation, a notation will be made on the member child's account and a green wristband may be obtained at the Service Desk upon each visit.

FitKid/Safety Orientations may be scheduled by contacting Membership Services at (810) 606-7523.

Provided the child meets the requirements listed above, parents or adult members may sign in member children ages 6—12 years of age for up to an hour (members may not sign in non-member children).
