

# A Walk in the Park for Parkinson's

Join us on Saturday, September 30, 2023 at 10 a.m. for a 1/4 or 1 mile "fun" walk at the Ascension Genesys Health Club to help raise awareness for Parkinson's Disease.

Ascension Genesys Health Club and the Ascension Genesys Foundation have teamed up to provide exercise classes and education for people with Parkinson's Disease and their care partners to help them be as active and healthy as possible.

Thanks to our event sponsors, we ensure that exercise and education programs are available and financially accessible to all people with Parkinson's and their care partners.
